

THE STITCH LINE

Evening Star Quilter's Guild, Belvidere NJ

Happy Spring, Ladies of the Evening Star!

The flowers are at least trying to bloom...they are certainly persistent!

This time of year is for Renewal. It gets me teary sometimes just thinking of how everything comes back to life. I don't know about any of you but it always gets a fire under me to clean out and reorganize! We had some discussion at a Board meeting to try to keep fabric donations used for their intended purposes according to the Guild's mission. The distribution of these donations needs to be more organized and not such a "feeding frenzy" as we had several months back. There is just not enough time to do this during the monthly meetings. I know we presented a "Yard Sale" type event at the school a few years back. Now our Harvest Boutique has somewhat replaced that. But for the boxes of fabric donated for our Quilts of Love, a more organized process is now being developed. After all, it is not fair to our guest speakers to be rummaging through boxes during their presentations.

With that said, Quilt On, ladies! We have such a large group nowadays, a little re-structuring of our donations will make things run much more smoothly!
