Mission Statement

Promote interest and knowledge in the art of quilt-making, promote appreciation of the art form, educate people in all aspects of quilting and engage in charitable projects through quilt-making.

Dear ESQG Ladies:

As my three years as your President come to a close, I would like to thank each of you for all your support, understanding and friendship!

We accomplished many things:

- A large increase in membership that shows just how many of us quilters are out there!
- Our gifts to our Quilts of Love program have grown in numbers!
- The hands-on, monthly meeting skills learned let us share our knowledge and love of the art of quilting as well as our friendships!
- Most of all, we got back to the basics of our mission - the tradition and the art of quilting!

I have enjoyed all of our time together, meeting each new member as well as learning more about our veteran members. I hope the efforts of the past three years continue as we grow in membership and pursue new ventures.

Yours In Quilting for the last time,
Nancy Caryl Geiger

UFO Challenge

June is the final month of the challenge. That means we'll have both the Grand Prize drawing and the drawing for the batik fat quarters. We don't have many fat quarters right now, so please bring yours if you wish to participate. Please also bring the challenge projects you've worked on during the year. Label them with your name and what your personal challenge was. Next place them on the tables at the very back of the room for everyone to admire. I will bring some index cards in case you need them as labels. We hope you've enjoyed the challenge and have finished up some UFO's. Thank You!

Solvai Sanchez & Sharon Roehrig

Yearly Challenge

Participants should bring their completed project to the June meeting.

Also bring the sheet with swatches used and place in a plain bag or wrap.

Please cover your name label.
